

NEW ZEALAND MADE

We want you to be comfortable wearing your new garment. So it is essential that the size chosen suits you perfectly.

Please take your time when choosing a garment size.

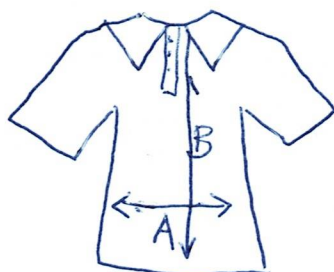

Here's a helpful tip:

Find a garment that fits you nicely, place it flat on a table or floor and use a measuring tape to measure it.

See the arrows in the picture below. Width (A): Measure under the arms.

Height (B): Measure from the top edge (over the shoulder) to the bottom edge seam.

Size	6	8	10	12	14
A. Width	42cm	44cm	47cm	49cm	52cm
B. Height	60cm	62cm	64cm	66cm	68cm
Size	16	18	20	22	
A. Width	54cm	57cm	59cm	61cm	
B. Height	68cm	69cm	70cm	71cm	

Once you have the measurements, compare and match them to the measurements of our garment sizes.

Cost per shirt - \$65.00 for quality, fit and designed shirts.

If you need a larger size just measure and enter sizes on the chart.
